Zone Meetings

Zone Meetings are an opportunity for registrants, NSCP staff and Council members to share information and build relationships.

Errors and Ethics

This year’s theme is *Errors and Ethics*. In the first half of the meeting, participants will review a de-identified case that involves practice errors and collaboratively consider steps that the pharmacy and its staff could take to minimize the likelihood of it reoccurring. In the second half of the meeting, participants will explore ethical considerations as they work through a case that involves challenging patient behaviour.

Refreshments will be served, and registration is required. The registration deadline is June 14th.
